EurofamNet Webinar

Family support & COVID. Learning and responding from a European perspective

On Friday 18th of June 2021, from 12:30 to 14:30 (CET), EurofamNet open webinar "Family support & COVID. Learning and responding from a European perspective" will be held. The event is hosted by the COST Action 18123 European Family Support Network (EurofamNet), supported by COST (European Cooperation in Science and Technology).

The event is aimed to encourage mutual knowledge exchange in Family Support research and practice across Europe during the COVID-19 situation; and to encourage collaboration and joint initiatives that contribute to the field of Family Support and the Network. The voices from academia, state agencies, practitioners and families will be present at the webinar to learn and discuss the challenges and the actions developed in Europe to face COVID-19.
